About Wanderers' Rest Humane Association

Wanderers' Rest Humane Association (WRHA) is the sole open admission dog and cat shelter in Madison County. We are dedicated to providing the highest quality care and compassion for the animals entrusted to us, striving to enhance adoptability, and re-homing adoptable animals at the highest rate possible, while educating and leading our community in creating a more humane society.

WRHA is located in Canastota, New York and serves more than one thousand dogs and cats from Madison County each year. Through our public education programs the shelter promotes responsible pet ownership and humane treatment of animals. Wanderers' Rest is a non-profit 501c3 organization that welcomes contributions and volunteers.

Wanderers' Rest depends on the help of fosters in many ways. Fostering can be a fun and rewarding way of helping the homeless pets entrusted to us. Just a few hours a week can make a huge difference in the lives of our sheltered pets.

Foster Application - continued

Foster parents need to abide by certain guidelines while fostering WRHA animals. We ask that all foster dogs and puppies are never unattended or left off leash when outdoors. Foster cats and kittens must be kept indoors at all times.

The staff at Wanderers' Rest appreciates your interest in fostering. However, we cannot always accommodate all applicants. Once we have accepted and cleared your application, the Foster Coordinator will contact you.

Applicant signature: _____ Date: _____

Please initial here _____ if you read and understand this document. If approved, you will be called to schedule a time/date to pick up your foster pet(s). Thank you for your interest and application.
