On August 17th, 2019, we will be holding our annual **Woofstock** event. We hope you will sponsor the event at the bronze, silver, or gold level. Based on the level of your sponsorship you or your business will be publicized on our walking trail, event program, our website, and other promotional opportunities.

We also hope that you will put together a team to compete for the **Community Team Award**. The team that raises the most money will receive a framed certificate and will have a shelter animal's spay/neuter sponsored in their name. You will receive a photo of your sponsored pet and be kept informed of its progress to be adopted. The adoption fee for the sponsored pet will be reduced to \$75 giving it a better chance of being adopted. Your sponsorship and money raised will be added together to determine the **Community Team Award** winner.

This annual event is our most important awareness and fundraising event. The proceeds of the event help to cover the rising costs of sheltering, healing and caring for hundreds of homeless and unwanted cats and dogs that make the shelter their temporary home each year.
