# Wanderers' Rest Humane Association, Inc. - Our Story

Wanderers' Rest is not just your typical animal shelter. Wanderers' Rest is a shelter with a vision - a vision that constantly updates, improves, adjusts to changing times, and accomplishes what we set our minds to. Our shelter has taken great strides throughout the years with our improvement in animal care, adoption, and community assistance. Within the last few years some remarkable changes have occurred. We are becoming stronger and more connected with the community because of our resilient leadership and teamwork. Wanderers' Rest has been pushing through tough financial times to turn into a compassionate care facility. Remaining at a 90% or higher live-release rate is challenging without the financial support to back it up. Every animal in our facility receives the utmost care and respect. The dogs and cats can feel the love of the staff and volunteers that care for them on a daily basis. Their needs are put first, even as the shelter faces the hard times of Covid-19. With an outdated shelter, Wanderers' Rest is now challenging ourselves to move forward with building a new facility that is better suited for the animals, and more outreach and opportunities for our community.

You might ask, what makes Wanderers' Rest so special? Well, we have made a huge turn-around in such a short period of time. We have the right staff, dedicated volunteers, and supporters who make up the heart of Wanderers' Rest, keeping it alive. We thrive knowing that we are doing everything in our power to help our community become more humane. Even with the vision of a new facility in the near future, our staff and volunteers donated their time during Covid-19 to make the current shelter a brighter and friendlier place for the animals and our visitors. Our staff works well together because of their love and devotion for what Wanderers' Rest Humane Association, Inc. stands for.

The best of WRHA is yet to come. That future includes you. But we need you **now** to help Wanderers' Rest continue to do the great work that we are doing. People like you are the reason that Wanderers' Rest can keep their doors open and can continue to help and care for the homeless or unwanted cats and dogs in our area. Together we can make a difference - together **WE SAVE LIVES!** We want to be the voice for the hundreds of dogs and cats that enter our facility on a daily basis, but you are the ones that can allow us to speak. Donate now to be a stepping-stone to **help make our shelter's vision a reality.**

## Thank you to all of our supporters!

## 2021 will be our best year yet...celebrating our 40th Anniversary!

### Meet Perry

If you have not heard about Perry, when he arrived at WRHA he could not walk. Not knowing anything about him, we thought he would never have the ability to walk again. Thanks to you, with veterinary care and treatment, Perry was walking in no time. Physical therapy has continued to make him stronger. Because you stepped up, Perry was given chance to live out his life in a happy and healthy home. This is what donating to Wanderers' Rest can do. Please consider making a gift, which helps our lifesaving efforts. You can save more lives! Donate before December 31st to have your donation go further.
