On August 17, 2019, we will be holding our **Woofstock** event. This annual event is our most important awareness and fund raising event. The proceeds of this event help to cover the rising costs of sheltering, healing and caring for hundreds of homeless cats and dogs who make the shelter their temporary home each year.

We hope that you will consider helping us raise money by collecting donations as an individual or as a team. We have created 4 categories and will be giving awards to the person or team that raises the most money in that category.

The four categories are:

1. Community team: Business or community group/organization
2. Family team: Family/friends
3. Adult individual: Single person 18 years or older
4. Youth individual: Single person under 18

The team or individual that raises the most money in their category will receive a framed certificate and will have a shelter animal's spay/neuter sponsored in their name. You will receive a photo of your sponsored pet and be kept informed of its progress to be adopted. The adoption fee for the sponsored pet will be reduced to \$75, giving it a better chance of being adopted.

Donations can be recorded manually using the Team/Individual pledge forms or electronically using the First Giving link found on the Wanderers' Rest Website. Just follow the link under event details for Woofstock for more information.

All donations must be turned in by 1 p.m. on Saturday August 17, 2019 to qualify for an award.
