On August 17th, 2019, we will be holding our annual **Woofstock** event. We hope you will sponsor the event at the bronze, silver, or gold level. Based on the level of your sponsorship your veterinary practice will be publicized on our adopted and adoptable dog parade line, event program, our website, and through other promotional opportunities.

We also hope that you will put together a team to compete for the New **Veterinary Challenge Award**. This award will be presented each year to the veterinary group that raises the most funds for Woofstock. Your name will be engraved on the award under the previous winner's name (this year will be the first). The **Veterinary Challenge Award** will be passed along to the new winner each year. Your sponsorship and whatever funds your team raises go toward winning the trophy.

This annual event is our most important awareness and fundraising event. The proceeds of the event help to cover the rising costs of sheltering, healing, and caring for the hundreds of homeless cats and dogs that make the shelter their temporary home each year.
