

How would you feel...?

Draw a face on each animal and write a 1-2 word description under each picture of how you would feel in each situation.

1) If you were getting picked on and teased

2) If your ears or tail were being yanked on

3) If you had a special treat that you didn't have to share with anyone

4) If you got hurt while playing rough

5) If you got to relax or take a quiet nap next to someone you love

6) If you were getting yelled at for an accident
